

**FACULTY OF MEDIA SOCIETY AND CULTURE GRADUATION
CEREMONY
THURSDAY 10TH FEBRUARY 2005**

You need to be present at one of Curtin's graduation ceremonies to experience the grandeur and pleasure of the event. They are held outdoors in February. This year's ceremony was given a special Australian flavour as at sunset a huge flock of white cockies swarmed to their roosts in the trees around the campus, making an enormous racket.

Staff of Information Studies@Curtin always try and attend graduation and seek out graduating students after the event. Here are some photos from the 2005 event.
