WELCOME TO PROFESSIONAL EXPERIENCE AT CURTIN UNIVERSITY

We would like to thank you for agreeing to participate in the Professional Experience component of our pre-service teacher education programs. We value your time, commitment and energy and appreciate your efforts to help our students embark on their professional preparation. We anticipate that pre-service teachers will find working with children in schools enjoyable and rewarding. Professional experience placements provide opportunities for in-depth exploration of a chosen career, and the chance to trial, apply, reflect on and refine ideas that have been developing throughout each semester of the degree program.

The Professional Experience program is an integral part of the Teacher Education course at Curtin University. The program is based on three major premises: gradual, varied and integrated experiences. Success in Professional Experience is essential for pre-service teachers' professional development and for continuation in the course. Pre-service teachers must satisfactorily complete each stage of the Professional Experience program. Some key points to note:

- It is expected that all pre-service teachers will prepare Lesson Plans and keep observations and reflections. A template is provided to guide these processes; alternatively the format may be negotiated with the Mentor teacher.
- Absenteeism: Where absence is unavoidable pre-service teachers are required to notify both the School and Curtin University Professional Experience Office no later than 8:00am on the day concerned. Pre-service teachers are expected to make up days lost through absenteeism. An Absentee form is provided later in this handbook.
- Please forward all completed forms to the relevant emails listed earlier in this handbook.
- Pre-service teachers must maintain a **Teaching File** as a comprehensive record of the activities and lessons undertaken during professional experience. It is also strongly suggested that a resource file be developed to organise the ideas and resources used during placements.

The information presented in this handbook should answer any questions; alternatively please consult the contact list to speak to someone in person.

Once again, many thanks for your participation in the professional experience component in our pre-service teacher education programs.

The Professional Experience Team
School of Education
Curtin University

SIGNIFICANCE OF PROFESSIONAL EXPERIENCE

Success in Professional Experience placements is a fundamental part of the pre-service teacher's professional development and is a **condition for graduation**.

Any pre-service teacher who fails to satisfactorily complete **two consecutive** Professional Experience placements is subject to course termination. Supplementary placements may be provided at the discretion of the School of Education Board of Examiners.

ABSENTEEISM

It is expected that pre-service teachers will at all times assume the professional aspects of the role of a teacher, accepting the constraints of punctuality, co-operation with staff, and concern for the welfare of students. **Where absence is unavoidable, pre-service teachers are required to notify both the School and the Curtin University Professional Experience Office no later than 8.00 am on the day concerned.**

Pre-service teachers are expected to make up days lost through absenteeism. An Absentee form is provided in this handbook.

The release of pre-service teachers to return to Curtin University to attend classes or to deal with outside work or family issues (except unforeseen illness or emergencies) should *not* be granted as pre-service teachers should have made alternative arrangements. However, there *may* be instances where pre-service teachers may need to take a day of leave from the placement. Pre-service teachers should notify their Mentor teachers as soon as possible should this occur.

RETURN OF FORMS

Please forward all assessment forms, the Professional Experience Payment Request Form and any completed Absentee Forms to the relevant address listed earlier in this handbook.

Please ensure that the pre-service teacher leaves their placement with a signed copy of their final assessment form.

PRE-SERVICE TEACHING FILE

Pre-service teachers must maintain a Teaching File as a comprehensive record of the activities and lessons undertaken during professional experience. **Pre-service teachers should always have their Teaching File up-to-date and accessible for the Mentor Teacher, Principal and Supervisor.** It does not have to be submitted to Curtin. Plans should be indexed and prepared two or three days in advance. It should contain the following:

- Department of Education National Police History Check and Working with Children Card
- Curtin Code of Conduct and Insurance Policy Forms
- Professional Experience Handbook, including instructions from the Professional Experience Seminar detailing requirements for the placement.
- Plans of lessons undertaken by the pre-service teacher. Plans should indicate the learning area, the group and the date, and be filed in the order in which they were undertaken even when categorised into learning areas.
- Teaching and Learning Resources which have been used.
- Self-reflective comments, together with written comments from the Mentor.

RESOURCE FILE

Pre-service teachers will accumulate many ideas and resources. In order to organise these, it is requested that each pre-service teacher creates a resource file. There is no prescribed format for this, however, it is expected that a system be developed to classify resources so that they are readily identifiable and accessible. This may be in hard copy or an electronic file, but **it should be available to a Mentor Teacher and Supervisor on request** and include as much information as possible about resources such as the original source for future referencing.

The following list is a guide to the many types of resources which could be included.

- **Book Lists.** Children's books and reading schemes and the level for which they are suited,
- **Songs, dances, singing games and music. Poetry and stories,**
- **Curriculum experiences/ideas.** Energisers, self-esteem games. Ideas for all learning areas,
- **Other Resources.** Curriculum resources that may be purchased, such as sporting equipment and computer software. Ideas for charts, rosters, routines, rules, room arrangements and so on, that may be adapted for use in your own work place,
- **Administrative Resources.** Individual Education Plans (IEP). Bullying Policy/Excursion Policies, Sample Letters, Booklets (parent information/staff handbook),
- **Web sites and other electronic resources.**

TEACHING RESOURCE COLLECTION– LEVEL 5 (CURTIN LIBRARY)

On campus pre-service teachers are encouraged to borrow a variety of resources from this special collection to enhance their teaching / learning experiences. The school and local libraries may also be a valuable place to access of resources. You may consider adding items to your Christmas / birthday request lists!

THIRD PLACEMENT

The third Professional Experience involves a four-week block placement in Semester 2 (Term 4). The placement is split with a one-week block, followed by weekly one day visits and then a three-week block placement. The focus for this professional experience is to consolidate planning and teaching skills.

At the completion of the placement, pre-service teachers will be able to:

- Articulate, examine, reflect and revise, if necessary, their teaching philosophy.
- Demonstrate the collection of evidence against several of the National Professional Standards for Teachers.
- Plan, implement and evaluate an integrated teaching plan reflecting good practice in assessments, using a range of technologies, teaching strategies and resources.
- Interpret the effect of different teaching styles and management practices on the establishment of a positive, engaging and empowering classroom environment.
- Demonstrate the ability to take responsibility for a teaching program within a classroom with gradual and increased complexity.

PLANNED TEACHING FOR THE THIRD PROFESSIONAL EXPERIENCE

Pre-service teachers may move to planning using Daily Work Pad for this Professional Experience placement. Full lesson plans should be prepared for Week 1, with a possible move to the Daily Work Pad if and when the Mentor Teacher and Pre-service Teacher agree they are confident with lesson planning. It is expected that there will be time for discussion with the Mentor Teacher before and after each lesson.

Pre-service teachers are asked to submit lessons plans (full or Daily Work Pad) to the Mentor Teacher no later than **the morning of the day before the lesson** to allow for discussions with the teacher and make modifications where necessary. By the third week, pre-service teachers should have experience in teaching across several learning areas using a variety of teaching strategies.

Mentor teachers are asked to discuss with students possible follow-up learning experiences, post-lesson evaluations and how to implement any feedback they have been given.

Week One:

- Day 1: Observation, planning and discussions
- Days 2 & 3: Plan, teach and evaluate one lesson a day (plus routine assistance to the teacher)
- Days 4 & 5: Plan, teach and evaluate two lessons a day (plus routine assistance to the teacher)

Weekly one day visits leading up to the three-week block

Week Two:

- Days 1 - 3: Plan, teach and evaluate three lessons per day, if possible.
- Days 4 - 5: Plan, teach and evaluate four lessons per day, if possible, two of which should be sequential. (Maximum: half day loading)
- Day 5: Period of time for evaluating the week's lessons plans or Daily Work Pad, the program and any student assessment.

Weeks Three and Four:

- Days 1-9: A minimum of a half-day's teaching (or its equivalent) each day, including full days, if the mentor and pre-service teachers feel that this would be mutually beneficial.
- Final Day: Period of time for evaluating the weeks' lessons plans or Daily Work Pad and the program and completing all student and pre-service teacher assessments.

ASSESSMENT FORMS FOR MENTOR TEACHERS

ASSESSMENT FORMS

There are **two parts** to the assessment of this third Professional Experience:

Part 1: A **checklist** including some examples of what you can expect your pre-service teacher to demonstrate during the two-week placement, based on the **Australian Graduate Teacher Standards**. Please talk through this assessment process together with your pre-service teacher and identify the strengths that he/she has demonstrated in the classroom and the aspects that require attention, giving some ideas about how to improve these.

The focus in this placement is on Standard 5 but it is expected that pre-service teachers will be able to show some progress in each of the standards. If the pre-service teacher does not get an opportunity to demonstrate the capabilities identified under that standard please indicate that this by writing “not observed” in the comments column.

Please keep in mind that the pre-service teachers are in **their second experience in the role of a teacher**. If you notice additional achievements, please note these in your final report.

Part 2: A **final assessment** of “Highly Competent”, “Competent” or “Not Yet Competent” at this beginning level. It is not necessary that every item in the checklist is demonstrated in order for an overall for an overall assessment as Competent. On balance you should be able to see most of the areas have been achieved or improved, and be confident that these will continue to develop in the next placement with you.

On balance you should be able to see most of the areas have been achieved or improved, and be confident that these will continue to develop in the next placement, which is their Internship.

Return of the Forms

Please complete the assessments PRIOR to the conclusion of the 20 days, sign the forms and also have the Pre-service teacher sign and sign the forms.

ASSESSMENT FORMS FOR CURTIN SUPERVISORS

Thank you for supporting our Curtin pre-service teachers during their Professional Experience placement. We appreciate the time and effort that you give to them. Your expertise and feedback is valuable to us all. In particular a “supervisor” or another assessor apart from the Mentor Teacher provides an additional viewpoint on the pre-service teacher’s progress. Rather than working closely with the pre-service teacher over time, as the Mentor teacher does, the Supervisor takes more of a “snapshot” of their progress by observing two lessons.

Please visit twice **during the second to fourth week of the placement** and, as you will see in the handbook, the pre-service teacher is expected to contact you to establish a mutually acceptable time for these visits. These visits give the pre-service teacher time to work with the class.

The handbook has details of what is required by all parties, including the pre-service teacher, and the supervisor. It is recommended that you follow the observation and feedback approach outlined in the handbook. You should also be able to view the Teaching File and Resources of the pre-service teacher.

It would be helpful if you take detailed notes during your visits and then summarise these into the following assessment form. **Please give a copy of this form to the pre-service teacher, retain a copy for your records and send one to the Professional Experience Office.**

The Curtin Supervisor Assessment Form in this handbook indicates some of the expectations of this placement although clearly you would not be expected to see all of these in one teaching session. Please keep in mind that the pre-service teachers are in their **third classroom experience** in the role of a teacher.

STUDENTS 'AT RISK'

Most pre-service teachers continue to develop and progress satisfactorily during the course of their placement. Occasionally a mentor teacher will have serious concerns.

At Risk is the term used to signify that the pre-service teacher is failing to make progress towards meeting the competencies and the required professional behaviour and skills at a level normally expected of pre-service teacher at their stage of professional learning.

If you have a pre-service teacher whom you consider is At Risk of failing then please be guided by the following steps:

- Please contact the Professional Experience Office for guidance upon initiating the At Risk procedure. The contact details are at the front of this handbook.
- Ideally At Risk procedures should be commenced at the halfway point during a placement, for example, in a three week placement, this should be commenced no later than during the second week.
- At Risk is an opportunity for the pre-service teacher, mentor teacher and supervisor to discuss progress, identify areas for improvement and to set out aspects that need to be improved if the placement is to be completed successfully. Please use the At Risk form to guide this process.
- The completed At Risk form should be signed by the pre-service teacher, mentor and supervisor. Everyone should keep a copy of this form, and a completed copy should be forwarded to the Professional Experience Team.
- At the end of the placement, the pre-service teacher, mentor and supervisor should meet and discuss the aspects set out on this form. If the pre-service teacher has managed to address these successfully, then they should be awarded a pass. If they have failed to address them, then a fail should be awarded.
- The At Risk process is not an automatic fail, it is a process to help the pre-service teacher, mentor and supervisor identify aspects that need improving and provide the pre-service teacher with an opportunity to improve their practices in order to pass their placement.

Or

Under Section 7.7 (7.7.2) of the Curtin Fieldwork Education Policy, if a student is terminated by the School or terminates themselves from their placement, they will be deemed as failing the unit.
