The Humanities Office of Research and Graduate Studies runs a series of workshops for Humanities postgraduate students. The Research Skills and Careers Workshop Series will help you acquire the skills you need to research, write and produce a good thesis in good time. The Research Skills Workshops focus on writing your candidacy proposal and methods. The Career Workshops focuses on conference presentations, career options and publishing.

Workshops are usually held on Wednesday mornings. Watch for announcements via posters, flyers, email and our Facebook page - Curtin University Humanities Office of Research and Graduate Studies.

Curtin University Doctoral or Master (Research) students, honour students, early career researchers and supervisors welcome. (Please note our workshops do not meet the supervisor registry requirements). Presenters’ powerpoints, when available, can be located on our website - hgso.curtin.edu.au/student_info/workshops.cfm

RSVP

RSVP is essential. Please RSVP to humgraduatestudies@curtin.edu.au
