**PRACTICUM REPORT**

We would appreciate if you could make comments concerning the student’s competence, behaviour and enthusiasm during the placement. This form provides valuable feedback to students and assists Information Studies staff in advising and assessing students.

Please discuss this evaluation form with the student at the conclusion of their practicum and, if possible, provide the student with a copy at this time. However, we appreciate that it may not be possible or convenient to finalise the form by the end of the placement period. In this case, please return the evaluation form to the Practicum Program Coordinator within two weeks of completion of the practicum.

**ACCESS TO THE REPORT**

All students have a right to access their evaluation form, and many students will use a copy for employment purposes. If students do not receive the completed form at the conclusion of their practicum they will be able to request a copy from the Practicum Program Coordinator. When completing the evaluation please keep in mind that we are unable to impose conditions of confidentiality.

**COMPLETING THE REPORT**

When completing the evaluation form please mark the appropriate point on the scale and add comments where appropriate. Please note: This is a generic form for library and records management and archives practicums; therefore, some sections may not be applicable to all situations or all students. If you are unable to assess a particular criterion, please mark ‘Not Applicable’. Alternatively, should you find this form not appropriate, please write a separate report.
